Title: Shaping perovskites: In-situ crystallisation mechanism of rapid-thermally annealed, pre-patterned perovskite films  
Authors: Antonio Gonzlez, Esteban Bermdex-Urea, Loretta A. Muscarella, Mario Ochoa, Efran Ochoa-Martinez, Bruno Ehrler, Michael Saliba, Ullrich Steiner  
Status: Manuscript Accepted - Signature for journal publishing agreement required

Dear Dr. Ullrich Steiner:

Congratulations on the recent acceptance of your article for publication in ACS Applied Materials + Interfaces. As the final step in the acceptance process, we now need you to complete and sign an ACS journal publishing agreement, accessible via this link:

<https://jpa.acs.org/jpawizard/home?x=Jk1ToeBGPr153...>

Please note: An ACS ID is required to access this site. <https://pubs.acs.org/publish/> to register for an account Paragon Plus account prior to initiating a journal publication. If you do not have an ACS Paragon Plus account or need help linking your account, please contact [support@services.acs.org](mailto:support@services.acs.org).

Please complete and sign a journal publishing agreement before we can publish your article until we have a valid, signed journal publishing agreement.

If you have any questions about the publishing process, please contact [mprecept@acs.org](mailto:mprecept@acs.org).

Below the navigation bar, the institution name and account number are displayed. The main content area features a welcome message and three tabs: 'Billing Profiles', 'Funding Requests', and 'Reports'. The 'Funding Requests' tab is active, showing a table of funding requests. The first row is expanded, displaying detailed information for a manuscript titled 'Coffee vs. Sleep: A case study' by Forsythe, Matthew. The details include the DOI, submission and acceptance dates, journal name, license, funders, secondary authors, and APC token value. The table also shows two other funding requests for manuscripts by Forsythe, Matthew, with their respective details and actions.

**APPROVE** When you approve funding for a manuscript, the transaction will be completed, assigned an Order ID, and when a balance is due, included in your next invoice based on the schedule defined in that agreement's profile.

**DENY** If you deny funding you will be prompted to provide a deny reason to inform the author of your decision. The author will have the opportunity to self-fund the transaction, resubmit for funding based on your deny reason, or elect to publish under a subscription model, as available.
